Goals

CORROSION POLICY AND OVERSIGHT

- Equip Corrosion Prevention and Control Managers of AF Weapon Systems to accomplish effective CPC management by
 - Inform managers about CPC planning and management requirements in DoD and AF policy
 - Outline successful practices for CPC management
 - Identify standards to assist managers in setting contractual requirements
 - Introduce tools and information sources for management approaches and cost forecasting
- Provide a forum for CPC Managers to share their experience on what has worked and not worked
- Have you leave here confident in your ability to accomplish CPC management on your program
